## ■ History

Situated on the northern edge of the plateau of Pomerol, nestled between Château Gazin and Château La Fleur-Pétrus, this wine has been produced by Ets. Jean-Pierre Moueix since 1976.

The vineyard (averaging 30 years of age), is planted on soils varying from gravel to clay to silt, allowing for a very elegant expression of Merlot.

The vineyard management and vinification are carried out traditionally and with great care, producing a plump, supple, fleshy wine with ripe fruit and silky tannins.

Eminently approachable, even in its youth, Lafleur-Gazin is a delightful expression of the lighter style of Pomerol wines.
